

## FOR IMMEDIATE RELEASE:

June 12, 2020

### ALLEGANY COUNTY COVID-19 CASES REMAIN AT 185 No new cases since Monday

CUMBERLAND, MD – The Allegheny County Health Department reports that the county has seen no new cases of COVID-19 since Monday, June 8. The cumulative number of positive cases remains at 185 today.

When individuals are tested for COVID-19, results are now available quickly. Therefore, the health department has moved to reporting only the number of Allegheny County residents who have a positive or negative test result. Pending tests will not be included in the testing counts going forward.

3,374 Allegheny County residents have received test results for COVID-19 to date, with 185 testing positive and 3,189 testing negative.
